

One expression, several text objects

Retain every label, channel and separator as source evidence.

Ocean / same RGB and HEX value

RGB: 018 - 110 - 120

HEX #126E78

Ocean variation / conflicting RGB and HEX values

RGB: 019 - 110 - 120

HEX #126E78

A comma-separated fragmented expression

RGB: 018 , 110 , 120

HEX #126E78

The conflict remains visible. A HEX statement does not override RGB.

Incomplete rows stay unresolved

These rows must produce a coverage warning and no RGB color.
